

What to Pack Winter Camp with Table in the Wilderness

We are really looking forward to seeing you this winter! As we gear up for your retreat we would like to give you the following list of what to pack in order to make your stay as comfortable as possible.

- **Towel (small)**
- **Water Bottle**
- **Pillow**
- **Sleeping bag (pack able mummy type bag)**
- **Toiletries**
- **Winter gloves**
- **Hat with ear protection (it may be windy)**
- **Sunscreen**
- **Goggles or sunglasses**
- **Warm clothing to layer**
- **Good warm synthetic socks for skiing**
- **Bible, notebook, pen**
- **Waterproofed pants, jeans, or ski pants**
- **Wrist guards for snowboarders**
- **Water bottle marked with your name**
- **Swimsuit (for hot tubs or rec. center)**
- **Other items as determined by your leader**

*For skiing or tubing, clothing made from synthetic (not cotton) fibers are better as they can still insulate when they get wet. A winter sport in cotton is not a good idea. Layered clothes under ski pants/jacket work much better

*Please be sure that everyone brings a sleeping bag, pillow and towels. If anyone forgets or doesn't have any of these items we do have some that we would love to share with you.
